How to Play 90-Ball Bingo

Also called housie. Read this out before the first number.

- 1 Every player gets a ticket: 3 rows and 9 columns, with 5 numbers in each row (15 in all).
- 2 The caller draws numbers from 1 to 90 one at a time and reads them out.
- 3 Mark each called number that is on your ticket.
- 4 One Line: the first player to mark all 5 numbers in any one row shouts "Bingo!" or "House!".
- 5 Two Lines: the first to complete any two rows on the same ticket.
- 6 Full House: the first to mark all 15 numbers.
- 7 The caller checks a claim against the numbers called. A wrong claim ("bogey") means play continues.
