How to Play Haldi Bingo

Read this out before you start.

- 1 Call an item or moment of the haldi ceremony. Players mark it if it is on their card; for moments, mark when you see it happen.
- 2 Prizes: any full row, column or diagonal for a Line; all four corners; then the whole card for Full House (blackout).
- 3 The middle square is free: everyone starts with it marked.
- 4 Shout "Bingo!" as soon as you complete a pattern. The host checks your card before the next call.
- 5 Each card is different, so several players rarely win at the same moment. If they do, share the prize or play a quick tie-breaker.
