How to Play Sangeet Dance Floor Bingo

Read this out before you start.

- 1 Mark a square when it happens on the dance floor. Shout “Bingo!” for a full line.
- 2 Prizes: any full row, column or diagonal for a Line; all four corners; then the whole card for Full House (blackout).
- 3 Every square counts: there is no free space.
- 4 Shout “Bingo!” as soon as you complete a pattern. The host checks your card before the next call.
- 5 Each card is different, so several players rarely win at the same moment. If they do, share the prize or play a quick tie-breaker.
